E0 BOARD

LOW FORMALDEHYDE EMISSION

CLOSETTE

E0 board is a high quality engineered board with low formaldehyde emission, making it a safer and healthier choice for indoor cabinetry.

- **LOW FORMALDEHYDE EMISSION**
- **SAFER INDOOR ENVIRONMENT**
- **STRONG AND STABLE**
- **BEATIFUL FINISH**

WHAT IS E0 BOARD?

E0 is an emission classification that indicates a low formaldehyde emission level from the board. It is a better choice for indoor furniture and cabinetry, especially in spaces where you and your family spend a lot of time.
